A photograph showing a group of people from an overhead perspective, gathered around a dark wooden conference table. They are using various electronic devices: laptops, tablets, and smartphones. One laptop screen displays a presentation slide with the text "Discussion outline". Another tablet shows a statistic: "85.00%" and "B5.000". A person in the foreground is writing in a notebook. The scene conveys a collaborative work environment.

I'm Nitish Kumar A Front-end Developer

A new work from **WebNx**

My Bio

Far far away, behind the word mountains, far from the countries Vokalia and Consonantia, there live the blind texts. Separated they live in Bookmarksgrove right at the coast of the Semantics, a large language ocean.
